# YORK COLLEGE OF PENNSYLVANIA

As you look around the YCP campus you might conclude that the College is a brand new institution. It's true that the oldest building on our 78-acre campus is only twenty-five years old, but that's deceiving. The YCP heritage goes way back beyond 1961 when the school moved from Downtown York to its present site, a former golf course.

In fact, the history of the institution which is now York College of Pennsylvania goes back beyond the date "1968", when York Junior College became a four-year

school; the date "1941", when the York Collegiate Institute established a junior college; the date "1929", when York Collegiate Institute and York County Academy formed a Reciprocal Teaching Agreement; the date "1873", when Samuel Small founded the York Collegiate Institute, and even the date "1787", when the York Academy was incorporated with a local Episcopal Church.

Although historical records become clouded beyond 1787 when the York Academy was incorporated, college

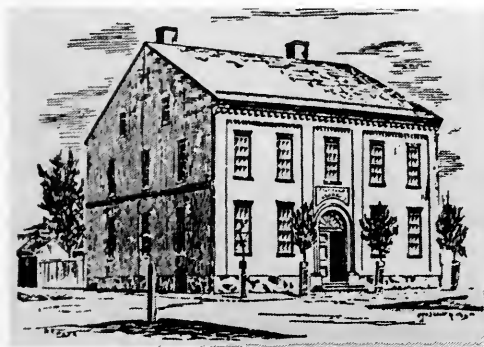

historians have learned that it was sometime between 1776 and 1779 that John Andrews, an Episcopal minister, opened a classical school in York. The site was North Beaver Street where the Academy was built a little later.

In 1799, the Academy was independently incorporated as "The York County Academy" and for many years was the only school of consequence in the County. It preceded the establishment of public schools in Pennsylvania by several years and trained many leaders in city, state and national affairs.

York Collegiate Institute was organized in 1873 through the efforts of Samuel and Isabelle Small when they assigned a square of ground and \$50,000 in bonds as security to "The English Presbyterian Church" of York. The Collegiate Institute gained considerable prestige and much success in bringing liberal education in the youth of the community.

However, the growth of the public high schools changed the needs of the community and both the Academy and the Institute entered into an agreement in 1929 whereby they merged their resources, while retaining much of their identity.

The trustees of York Collegiate Institute voted to add

A YCP ancestor which was incorporated in 1787.

a junior college program to the curriculum and first year courses were started in the fall of 1941 with an enrollment of 42 students. In 1947, the Institute decided to close the secondary school and concentrate their efforts on the Junior College. Even today, while the College is governed by a separate board of trustees, the Academy board still functions and performs valuable services.

York College was accredited by the Middle States Association of Colleges and Secondary Schools in 1959. Accreditation was renewed in 1969 and reaffirmed in 1972 with the right to award the Baccalaureate Degree.

The present Academy board officers are as follows: Mr. William H. Kain, Esq., president; Honorable James

The York Collegiate Institute was established in 1873 and in 1929 entered into a teaching agreement with the York Academy.

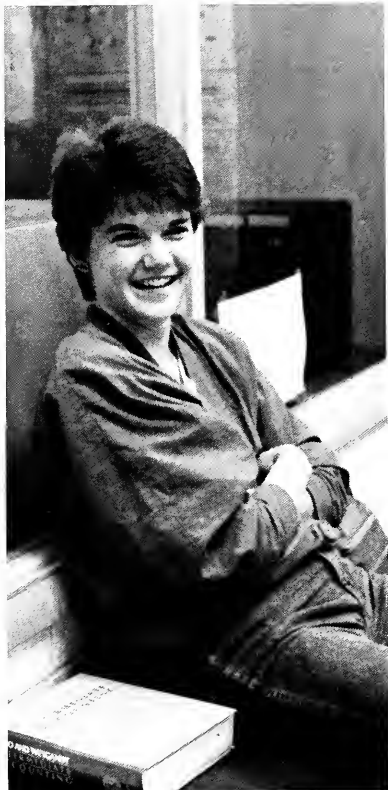

E. Buckingham, vice president; Mark Woodbury, III, Esq., secretary; and Martin E. Ebbert, Jr., treasurer.

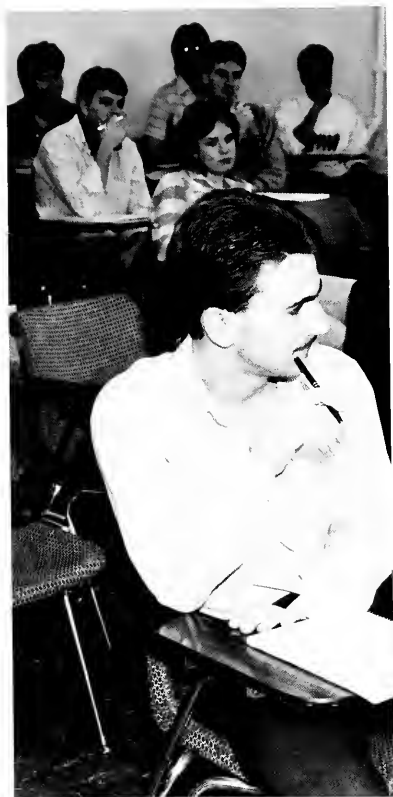

The Academy board membership is as follows: Daniel K. Beard, Honorable James E. Buckingham, Austin E. Diehl, Martin B. Ebbert, Esq., Martin E. Ebbert, Jr., Walter S. Ehrenfeld, William S. Eisenhart, Esq., Dr. Robert V. Iosue, William H. Kain, Esq., Edward K. Keen, Frank V. McConkey, Jr., Ezra Miller, Dr. Luther B. Sowers, Charles H. Stallman, and Mark Woodbury, III, Esq.

York was an exciting place to be in during the Academy's founding days. In September, 1777 the Continental Congress moved to York making the colonial town the Nation's Capital. Congress stayed for nine months and while here adopted the Nation's first Constitution, the Articles of Confederation.

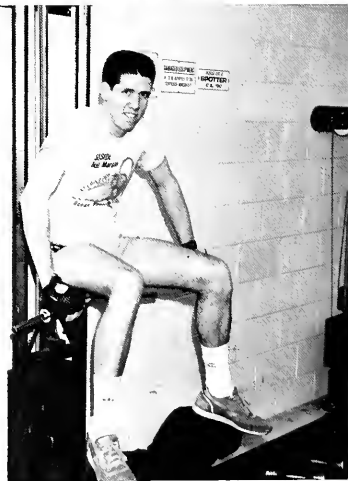

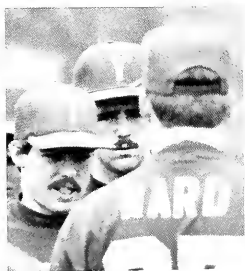

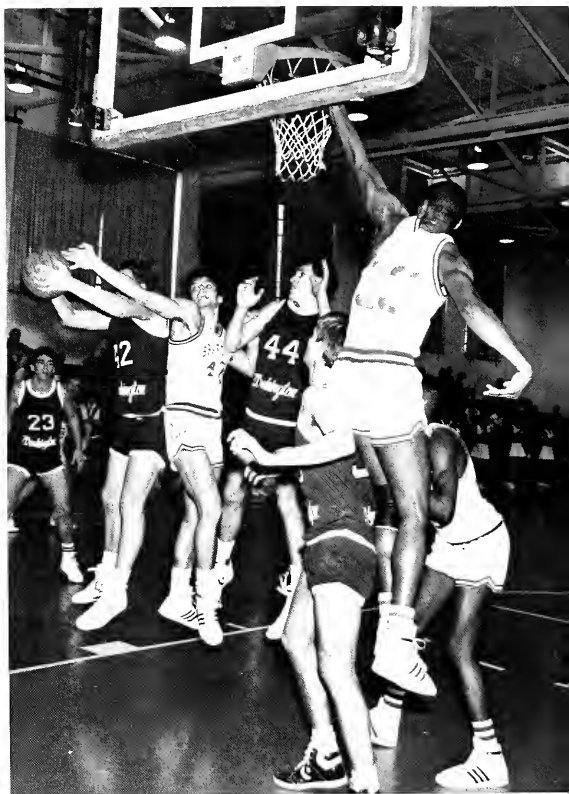

Today York is known as a productive area with plentiful industrial, agricultural, recreational and cultural resources. York College of Pennsylvania has grown from that small school established in the 1770's to a thriving college which still aims to provide students with meaningful education opportunities in a warm atmosphere.

April 30, 1986

Dear Graduates of the Class of 1986:

This is one of the finest classes to graduate from York College, which means we can expect great things to happen to you. Most of you will find jobs, some easily while others will have to really work at it; and some of you will go off to graduate school. Whatever you do, do it well.

All of us at York College want you to succeed and we wish you the very best of luck. But we know that luck alone will not bring you full success or happiness. You must continue your work and you must continue to grow, now that you are on your own.

Well, what about York College? We will be here long after you have graduated, and we promise to continue our work and our growth. We are fast becoming a highly recognized college in the northeast part of the United States. As we get better and as each of you spreads out, we will become better known throughout the entire United States. Together we will put York College on the map.

We want you to be proud of us, just as we are proud of you. That is the beauty of having such fine students like you. We, as a better college, will give you even more pride in us; and you, as successful graduates, will make us feel wonderful.

What a great team - YCP and the Class of 1986.

Sincerely,

A handwritten signature in dark ink, reading "Robert V. Iosue".

Alpha Sigma Alpha was founded at Longwood College, Farmville, Virginia on November 15, 1901. Longwood College was the first institution of higher learning to admit women for collegiate work. Amongst these women emerged the five founding sisters of Alpha Sigma Alpha. Since then we have grown immensely and now have 50 active collegiate chapters located across the United States. The Delta Omicron chapter of Alpha Sigma Alpha at York College was founded on April 8, 1978. We have had eight superb years of sisterhood that will remain with us forever. Our national philanthropy is to aid the mentally retarded. In the more specific sense, our sorority is committed to supporting the Special Olympics program as volunteers. The sorority is based upon four aims: physical, intellectual, social, and spiritual. These aims are stressed and fulfilled from the first day of pledging throughout our lives as sisters. We are proud of our past and excited about our future. There is no substitute for sisterhood in Alpha Sigma Alpha.

Our members are: Seniors: Laura Caperton, Carole Caporoso, Heather Cooke, Becky Hale, Jodi Kline, Laura Moroz, Charlene Parker, Cheryl Ryan, Lisa Scott, Aggie Tammany, Debbie Taylor, and Gretchen Taylor. Juniors: Renee Allen, Patty Byrne, Jeannine Frenzel, Janet Frerichs, Becky Gongaware, Cindy Hoar, Nancy Marhefka, Lori Musolf, Chris Romeo, Gina Romeo, JoAnn Schlindwein, Denise Shay, Jennifer Wagner, and Cindy Witteben. Sophomores: Kathy Gardiner, Wendy Leber, Jeni Leighton, Karen Murphy, April Piper, Lisa Wheeler, and Kelly Wilson. Freshmen: Leann Brougher, Dawn Dimidio, and Kim Kirkner.

The coat-of-arms of Alpha Sigma Alpha is a shield, quartered in crimson and white, bearing a phoenix rising from lambent flames and surmounted by a gold crown. The riband below the shield carries the open motto, "Aspire, Seek, Attain," in Greek.

Above: Officers: bottom row: April Piper, editor; Renee Allen, vice president; JoAnn Schlindwein, president; Nancy Marhefka, treasurer; top row: Patty Byrne, membership; and Jodi Kline, chaplain. Right: "The Spina Bifida Bowl-a-thon". "Come on Jodi!" cheers the sisters. Below: After Special Olympics Training Session.

## AΘΧ

Alpha Theta Chi sorority is a social and service organization for the women of York College designed to promote activities for the college and also for the community. Our motto, "Service to our community, social interaction with our peers, Sisterhood amongst us all, forever" states our goals as a sorority. Over the past year, Alpha Theta Chi has participated in several social and service activities. In the fall semester we held a dance marathon to raise money for the Ronald McDonald House, donated a Christmas tree and gifts to a needy family, worked for the Bell Emergency Center and supported other organizations in their activities. In the spring, we held a daffodil sales for the American Cancer Society, and sold raffle tickets for the Lion's Club. Socially, we had mixers and parties with other Greek Organizations. The spring also marks the time for our annual formal, which was held at the York Fair Grounds and was a great success. We also participated in Greek Week and various intramural sports. At present, we currently have 41 active sisters. Seniors include Theresa Creman, Laura Lichter, and Natalie Shiner. Juniors include Ma-

ria Edgerly, Cindy Ralls, Anne Levine, Linda Pusey, Dorrie Seborg, Angela deMarino, Veronica Gomez, Lisa Deardorf, Carol Crew, Alicia Mongaliri, Heidi Whiskeyman, Shelly Campbell, Lisa Sanzeri, Diane Olivier, and Gail Sgroia. Sophomores include Lisa Bartlett, Wendy Ragan, Stacey Fitzwater, Jennifer Naughton, Louise Lesinski, Kim Williams, Sheri Folk, Karin Thomas, Merrily Wold and Michelle Edens. Freshmen include Chris Long, Karen Soltis, Heidi Krause, Kim O'Donnell, Gail Flicker, Lisa Jorgensen, Dyndi Boheim and Kelli Damato. Our faculty advisor is Mrs. Khanna. Our executive board for the spring semester include, president: Theresa Creman, vice president: Gail Sgroia, secretary: Cindy Ralls and treasurer: Jennifer Naughton. The 1985-86 school year was a very successful one for the sisters of Alpha Theta Chi. We are looking forward to the coming year to grow and prosper together.

## AΘX

Pledging is a period of growth. It is during this time that girls grow into women. They learn the true meaning of sisterhood, friendship and commitment. It is through this commitment that sisters gain the sacred vows of AΘX and flourish both socially and intellectually.

The bonds made between pledges grow stronger as they enter sisterhood.

The friendships attained at AΘX will last forever.

Sigma Delta Chi is a social organization, founded in October of 1981. The history of the Delta Fraternity is proud of it's accomplishments which include the quite successful Jail Bail of both 1984 and 1985. These events raised over \$5,000 for the benefit of the Heart Foundation, each time. In addition, our most rescent endeavor, the Beautification of Jackson Street, though our litter control watch and placing litter containers on Jackson Street corners. The Brotherhood of Delta is concerned with the social situation of the area surrounding York College. The hope is of build-

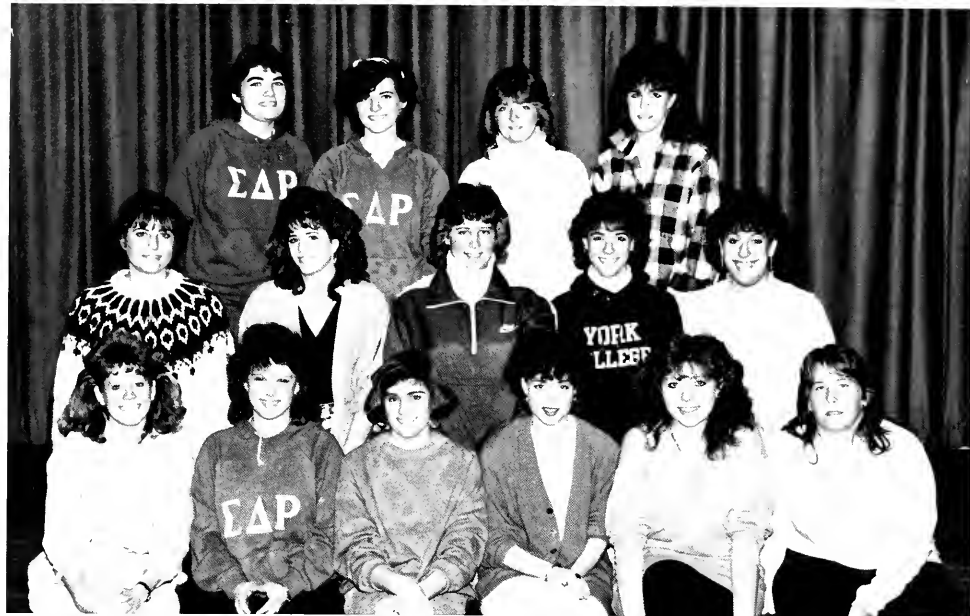

ing a more unified community and college bond, by showing respect and responsibility to that community and it's environment.

But it's not all work and no play. Delta is known campus wide for it's numerous events and social gatherings, for the benefit and enjoyment of the student body.

After winning "Best Fraternity On Campus" during Greek Week in our first year of existance, Sigma Delta Chi has become very competitive in the York College Intramural Program. Our teams have gone to the playoffs four years consecutively in each of the following sports: hockey; football; basketball; and softball. Our first championship was won in soccer this past fall.

Simply stated, the name of the game for Delta is to have a good time; no matter what we participate in. No mountains too big, and no job's too tough. Sigma Delta Chi 'til the day we die!

Sigma Delta Rho is a women's service organization founded on Sept. 14, 1981 by a group of 14 founding sisters and our dedicated advisor Mrs. Curry. The 1986-87 school year marks our five year anniversary.

In the last five years, we have grown and changed in many ways. As of spring 1986, we have inducted nine pledge classes. Presently we have a total of 30 sisters.

Throughout the 1985-86 school year, Sigma Delta Rho has participated in many campus and community activities. Our biggest community service is our week-long "frost the cake with coins" for Easter Seals. In the past two years we have raised over \$200 in coins and donations. We plan to continue this event in the future.

Some of our sisters attend the Hoffman Home for neglected girls on a regular basis. They work with and talk to the girls. In the spring of 1985 we had a picnic with the girls from the Hoffman Home in our backyard. Everyone enjoyed the day.

In December, the sorority and the girls from the Hoffman Home had a night of Christmas caroling at the Colonial Manor Nursing Home. We all felt good bringing Christmas cheer to the residents. December was a good month for caroling. We won second place in the Christmas Caroling Contest sponsored by the Student Senate.

In April we had our annual "Sunshine Ball" semi-formal at Martin's. All who attended had a great time. During the year, four of our sisters were nominated for Winter and Spring Formal Queens. They were: Robyn Reio, Sigma Delta Rho, Louise Leonard, Sigma Phi Epsilon (1st runner up), Kay Brady, I.S.G.A., and Cheryl Blume, Sigma Delta Rho.

Other community activities we have participated in include: TKE's and Kappa Psi Epsilon's volleyball marathons for the Kidney Foundation and the York Literary Council and a joint-effort Daffodil Sale with Alpha Theta Chi for the Cancer

Society.

Officers for the Fall, 1985 were: President - Tracey K. Henry, Vice-President - Cheryl Blume, Secretary - Sherry Toadvin, Treasurer - Robyn Reio, Historian - Linda Silvia, Chaplain - Bethlee Shaffer, Sergeant-at-Arms - Kay Brady and Pledge-Mistress - Sue O'Reilly.

Spring 1986 Officers were: President - Lisa Belden, V-President - Cheryl Blume, Secretary - Sherry Toadvin, Treasurer - Robyn Reio, Historian - Linda Silvia, Chaplain - Janet Tribbe, Sergeant-at-Arms - Kay Brady and Pledge-Mistress - Katy McGarty.

New Officers for the Fall of 1986 are: President - Robyn Reio, V-President - Cheryl Blume, Secretary - Janet Tribbe, Treasurer - Rachel Read, Historian - Louise Leonard, Chaplain - Jen Bodnar, Sergeant-at-Arms - Deb Stump and Pledge Mistress - Sue Anthony.

We are all looking forward to a successful 1986-87 school year.

Sigma Phi Epsilon is a national fraternity that supports the ideals of campus and community. This past year we won the school's Honor Scoop for community service for the third consecutive year, which is a school record. We are the largest fraternity on campus with a membership of 56 brothers. Our main charity is the York County Blind Center. We had our second annual "Swim to see" swim-a-thon which raised \$732.00 for the center.

Along with our charitable accomplishments, the brothers of Sig Ep are involved in many other aspects of York College. Brothers hold positions on the Student Senate, including two brothers on the executive board. Brothers are also involved in inter-collegiate sports such as, varsity wrestling, baseball, tennis and track. Not only do our brothers excel on the field they strive for the highest in the classroom.

The brothers of Kappa Sigma Rho stress unity as well as individualism. We are involved in many campus activities including intramurals, Alumni Phone-a-thon, ISGA, Inter-Collegiate Activities, Greek Weekend and Spring Weekend.

We have 35 active brothers with five members graduating in the spring. We also have four sweethearts and 35 alumni affiliated with the fraternity. This year we held our annual Founder's Day Party, White Rose Formal and Spring Picnic. We would like to wish the graduates much success in the future.

ΦΣΧ

Phi Sigma Chi is an independent sorority which was chartered March 11, 1980. Our main goals are to provide services to the community and campus, while working with other organizations, and to provide an array of activities for our members.

We are comprised of members with many different backgrounds. We pride ourselves on the fact that our sisters are involved in many campus activities. Every woman's sports team on campus, including cheerleading has at least one Phi Sigma Chi sister participating in it. Sports are not the only thing that we have members involved in — we have sisters in student

senate, Madrigal Singers, and DPMA just to name a few.

This past year we were involved closely with Access Shelter (a home for abused women in York) as our main service project. Other service projects were Bell Socialization and Special Olympics. Our activities for the sisters included a Christmas Formal - everybody had a good time and were able to meet some alumni.

This year proved to be a very productive year for Phi Sigma Chi - we purchased jackets, gained a number of new, hardworking sisters, and last, but not least, we were *Greek Week Champs* for the second year in a row.

PHI SIGMA CHI'S OFFICERS: President - Cheryl Harnly, Vice President - Lisa Lorenzo, Secretary - Michele Sesok, Treasurer - Jennifer Varner, Recorder - Eileen Seidel

Chi Gamma Iota is officially recognized as the oldest Greek social organization on the York College campus. They were formed (at York Junior College) on November 15, 1967.

The primary purpose of XGI is to provide veterans (and interested non-veterans) with a point of social reference in the York College community. The organization provides information on GI Benefits and Financial Aid programs. XGI volunteers also provide members with limited academic assistance and materials.

Since its inception, XGI has been actively involved in community service projects. During the War in Vietnam, local servicemen, stationed in the combat zone, were sent Christ-

mas greetings and news from "home." Over the years, the organization has sponsored fund raising events to benefit the American Cancer Society, Special Olympics, Muscular Dystrophy, and many other charitable organizations. On campus, XGI members have served with distinction as members of the Student Senate, the HORIZON, the SPARTAN, and are listed in the Who's Who Among American College and University students.

Full membership is open to veterans who have honorably completed their active service obligation and active Reservists and Guardsmen over 21 years. Associate and Social memberships are open to non-veterans interested in pursuing the objectives of the organization.

Tau Kappa Epsilon is the largest international fraternity in the world chapter-wise, but it is much more than that to its proud members. TKE is friendship. It is a deep friendship and mutual understanding among a group of men who have similar ideals, hopes, and purposes. Such a bond of friendship and understanding furnishes the indispensable incentive which helps the college man develop into a poised and self-confident adult equipped with a keener mind, a greater appreciation, and broader sympathies, all fortified by true and understanding life long friends.

TKE is adventures in group living, education in leadership, crucible of democracy, idealism in action, and a magnificent obsession.

Our local chapter was started as Alpha Sigma Chi and was granted a colony in 1976. In 1977, we became TKE chapter. Presently, we have an active roster of 35 brothers: Dan Mondello, Ron Casperite, John Feldman, Drew Wildonger, John Wallace, Al Wolf, Rob Radler, Eric Bickelman, Ross Stanard, Jim Vigilante, Steve Duer, Jerry Wetzell, John Blackman, Rick Stevenson, Craig Renner, Todd Hale, Brian Bahn, Ed Hanson, Sean Fox, Bill McQueen, Bob Draut, Lou Quackenbush, Gary Wessner, John Roberts, Chris Brunner, Doug Leader, Greg Shank, Todd Steinburg, Randy Poth, Kevin Baer, Dan Seifert, Bill Filenick, and Eric Snyder.

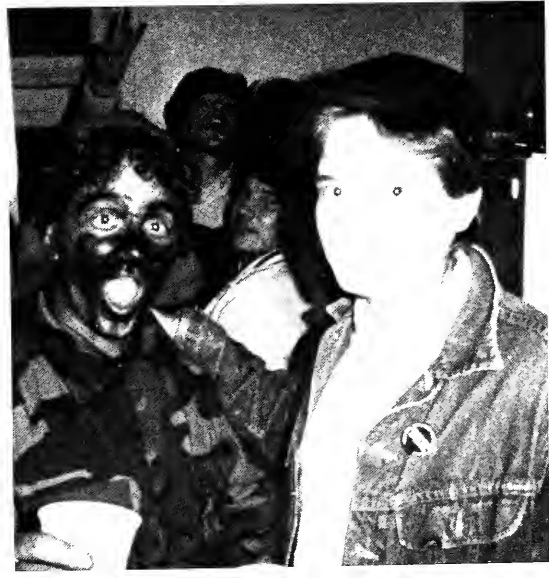

We raise money mainly for the Kidney Foundation. However, we also raise money for St. Jukes Hospital. Last year, 1984-85, we raised over \$14,000 for the Kidney foundation and this year we topped that mark. We also hold an annual keg roll with this past year being our first. TKE is on the upswing both socially and academically. We are Tau Kappa Epsilon - a fraternity on the move!!!

Zeta Delta Phi was first formed in 1982 as Zeta Delta Chi. The sorority split in 1983 to form a little sister group, and Zeta Delta Phi. The latter was reactivated with the help of Zeta Phi Omicron in the Spring of 1984. We have a fantastic relationship with ZOO.

This was a very productive year for Zeta. We have worked hard to strengthen our organization and to serve the York community. We stress individuality and acceptance in our sisterhood.

Zeta was very successful in intramural sports this year. We had a number of teams making it to finals. Our coed volleyball team with our brothers was also victorious.

Our fundraisers went well this year. Some of our sales included tuck-ins, donuts, balloons, carnations, kiss-a-grams, Greek week T-shirts and many more.

In the spring semester, we look forward to our annual semi-formal and picnic with our brothers.

We encourage strong leadership and academic achievement in our sisters. Zeta is a very enthusiastic, fun-loving groups of girls, who rely strongly on our tight friendships which carry us through the ups and downs of college life. This was an excellent year in our enrollment and activities. We hope next year will be even better.

## ZΦO

Zeta Phi Omicron is York College's newest social and service organization for men. Designed to promote fellowship, responsibility, and individual growth, ZOO offers a different outlook upon fraternal life. Less than two years after achieving official status, Zeta Phi Omicron has grown considerably and looks forward to a promising future of success and further accomplishments. Over the past year ZOO has participated in a dribble-a-thon to raise money for the York Easter Seals. We spend every Saturday afternoon at the York children's home.

Practice started 8/30/85. Fifty-three invitations to report were sent. Thirty-three athletes met for the first time the evening of 8/28/85. Twenty-nine completed the season in good standing with two injured early and red shirted.

I felt this group worked harder and had the best attitude of any I've coached in fourteen years. Three of our four defenders had graduated and defense was our priority. In three pre-season games, we bested Penn State York (16-1), Dickinson (6-0), and lost to the United States Naval Academy (1-0). Two of our starting full backs were lost by two games into the season.

We, as a team, were young but played well. We still don't have a scoring threat in any one player and are hurt by that. We graduate our midfield this year and our starting keeper. Next year's schedule will be a challenge.

# VOLLEYBALL

Tuesday, September 3rd, at 10:00 A.M. began the 1985 Volleyball season at YCP. The organizational meeting was followed by double practices both September 3rd and September 4th. Practices were held on a daily basis starting on the fifth from 3:45 P.M. to 6:00 P.M.

This year's squad consisted of thirteen players, two of which were seniors, three juniors, five sophomores, and three freshmen. All players finished in good standing, although two players were forced to end a week early due to illness.

Injuries played an important role in this year's season. Trainers Sue Sponsler and Lisa Wheeler did an excellent job keeping the players in the best physical condition possible. I commend them for a fine job well done!

Overall, we had a very tough schedule, playing a number of Division I and II schools throughout the season. A 1985 season highlight came during our first tournament which was held at Elizabethtown College. The team played very well that weekend, earning a second place trophy for their efforts.

The 1985-86 York College wrestling team officially started practice on Monday, October 14, 1985 with thirty-one students coming out for the team. Seventeen of the thirty-one students finished the season in good standing. Brook Landis completed his tenth season and Rich Wileczek his second season as volunteer assistant coaches.

The Spartan wrestling team completed another successful season with its fifth consecutive winning season. In posting a respectable 9 - 7 dual meet record, it was accomplished against a highly competitive schedule which included teams from the Pennsylvania Conference, EIWA, and top twenty finishers in the NCAA Division III championship. The highlight of the season was an upset victory over NCAA Division I eastern wrestling power, Wilkes College. It was probably the biggest dual meet victory in York College's wrestling history. Wilkes College has always been one of the top wrestling colleges in the east and this was York's first victory against this wrestling power.

Junior co-captains Neil Salkowski and Greg Fitzpatrick had outstanding seasons winning twenty-three individual bouts each. Also, both placed in the top three in several invitational tournaments, won individual titles in the Washington & Lee Tournament and placed in the regional qualifying tournament for the national championship. Senior Tony Dagostino and junior John Antonacci also placed in the regional qualifying tournament.

The York College Spartan baseball team completed another fine season in 1986, posting a record of 26 wins and 11 losses. Along the way, the Spartans enjoyed a Penn-Mar Collegiate Baseball Conference record of 11 wins and 3 losses, and peaked within impressive double-header wins over the University of Pennsylvania and the University of Maryland - Baltimore County.

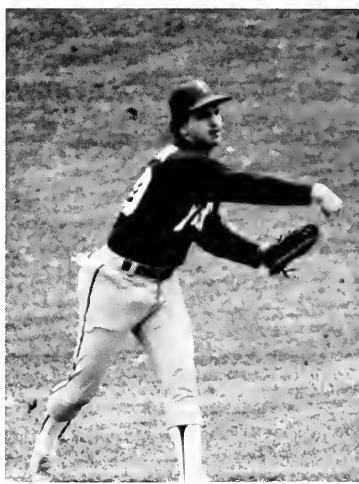

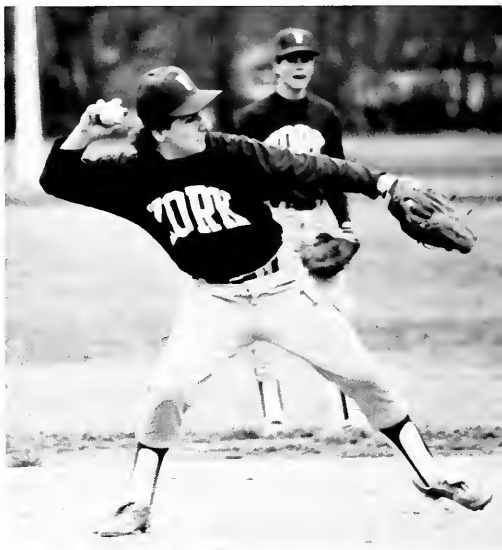

Several individuals had exciting and productive seasons under first year head coach Lee Ward. Seniors Eddie Fuller, Tim Thoman, Matt Clemens, John Pensiero, and Ron Zeager all shared the spotlight. Fuller, the team's MVP, and YCP top male athlete award and Klinedinst Award winner, hit .433 and set school records with 15 doubles and 41 stolen bases. Thomas hit .352 and his 34 runs batted-in trailed only Ray Kotula. Clemens finished the 1986 campaign with a perfect fielding record and scored 28 runs. Pensiero, the Spartan's ace pitcher, logged 5 victories to 2 defeats against the toughest opponents while big right-hander Ron Zeager marched through an undefeated season at 4 and 0.

Several freshmen ball players had tremendous rookie seasons, and solid offensive and defensive contributions were made from all positions as the Spartans added to the rich baseball history.

# TRACK & FIELD

The highlights of the season included dual meet victories over Baptist Bible College and Gallaudet College. Both these teams had finished ahead of us in place finishes in the pole vault by Wayne Dayberry and Andre Hue in the Western Maryland Relays and Rod Slater in the Messiah Invitational.

Freshman Greg Jurash, from Haddon Heights, NJ, led the team in points scored and was voted by his teammates as the most valuable track and field performer for the 1986 season. Also, the coach's award recognizing the track and field athlete who best demonstrates the ideal of team before self is to be shared by four year lettermen and co-captains Mark Landi and Heshim "Chip" Thomas for the leadership, efforts, and dedication to the track and field team the past four years.

The 1986 York College track and field team officially started practice on March 3, 1986. Eighteen (13 men and 5 women) of the twenty-eight students (20 men and 8 women) who came out for the team finished the season in good standing. It should be noted that York College does not officially sponsor a women's track and field team. However, the women who did come out for the team did get the opportunity to compete in dual meets and invitational events when women's competition was available.

The York College track and field team struggled through a disappointing season. The biggest disappointment came from the small turnout for the team which has been declining the past three seasons. However, on the positive side, nine of the thirteen men who finished the season in good standing were underclassmen and three of the top four point scorers were freshmen. A good turnout of freshmen next season could put the program back on a healthy course and again become competitive with those schools that we have been in the past.
